a. About the HEI		
1	About Us Overview	Auroras PG College (MCA), established in 1999, has consistently upheld its reputation for delivering excellence in higher education through its renowned MBA and MCA programs. The college is affiliated to Osmania University and approved by AICTE, New Delhi. With a steadfast commitment to academic quality, the college has built a strong identity in the academic world, fostering a learning environment that extends beyond traditional classroom teaching. Its educational approach emphasizes not only academic achievement but also the holistic development of students, equipping them with the essential skills and values needed to excel in an ever-evolving world. The students showcase high graduation rates and secures many university top ranks in both the programs. The placement percentage is relatively high which marks the excellence of the institution and the students.
