Details of Resource Persons	<p>Dr. C. B. Ramanand is a soft skills trainer who specializes in personal and professional development, offering valuable training in areas such as communication, leadership, and emotional intelligence. With a focus on practical application.</p> <p>Dr. C. B. Ramanand's programs are designed to help individuals and organizations enhance their skills and performance in the workplace and beyond. He is known for his engaging and interactive training sessions, where he uses real-life examples, case studies, and hands-on exercises to ensure that participants can directly apply the concepts learned. He works with professionals, students, and organizations to help them develop essential soft skills for success.</p>	
Description	<p>To prepare postgraduate students for the challenges posed by a rapidly changing market environment, Aurora's PG College (MCA) organized a seminar on Adaptability and Critical Thinking, led by Dr. C. B. Ramanand from C CUBE.</p> <p>Adaptability and critical thinking are essential skills in today's dynamic world. Adaptability enables individuals to respond effectively to changing circumstances, shifting priorities, and unexpected challenges. It involves being open to new ideas, adjusting strategies quickly, and staying resilient in the face of uncertainty. This skill is particularly crucial in workplaces where change is constant, allowing employees to maintain productivity and find solutions even when faced with obstacles.</p> <p>Critical thinking complements adaptability by fostering strong analytical and evaluative skills. It encourages individuals to assess situations logically, weigh evidence, consider multiple perspectives, and make informed decisions. Together, adaptability and critical thinking equip individuals to navigate complexity, solve problems creatively, and continuously learn.</p>	

from new experiences.

By combining these two skills, individuals and teams are better prepared to tackle challenges, seize opportunities, and drive innovation. In an ever-evolving world, adaptability and critical thinking are key to both personal and professional growth.

ACTIVITY REPORT

Name of the Activity	Seminar on Investment in Stock Trading	
Type of Activity	Entrepreneurship and Self Employment Skills	
Date and Time of Activity	22/08/2019	02:00 PM- 04:00PM
Details of Participants	Students from MBA and MCA	
Organizing Dept /Support System	Organised by Training and Placement in collaboration with Best Insurance services	
Details of Resource Persons	<p>Mr. Ravi Kumar is a life skills trainer who specializes in helping individuals develop the practical skills necessary for navigating various aspects of life, both personally and professionally. His training typically covers a wide array of life skills such as communication, leadership, decision-making, time management, stress management, emotional intelligence, conflict resolution, and problem-solving.</p> <p>As a life skills trainer, Mr. Ravi Kumar focuses on equipping individuals with the tools and strategies they need to enhance their self-confidence, improve relationships, and effectively manage challenges. His training programs may include workshops, seminars, group discussions, and one-on-one coaching sessions designed to foster personal growth, career development, and overall well-being.</p>	
Description	<p>In order to Bring the Awareness among post graduate students for thriving opportunities according to market changing environment. Aurora's PG college (MCA) held an Seminar on Investment in Stock Trading by Mr. Ravi Kumar from Best Insurance Services a prominent stock analyst.</p> <p>Employment in this field offers a structured environment with potential for high earnings, performance-based bonuses, and career advancement. Professional traders often work for investment banks, hedge funds, brokerage firms, or asset management companies, contributing to the financial health and growth of these organizations.</p> <p>stock trading allows individuals to operate independently, managing their own investments and strategies. Entrepreneurial traders have the flexibility to set their own schedules, pursue innovative trading strategies, and potentially achieve substantial financial gains. This path requires significant self-discipline, continuous learning, and risk management skills. Successful entrepreneurial traders can scale their operations, offering</p>	

advisory services, launching hedge funds, or developing trading algorithms, thereby creating additional revenue streams
Stock trading can serve both as a form of employment and a pathway to entrepreneurship, offering diverse opportunities for financial growth and professional development
Both employment and entrepreneurial avenues in stock trading offer unique challenges and rewards. Whether as a structured career or an independent venture, stock trading provides opportunities for financial independence, professional growth, and continuous learning in the dynamic world of finance.

Name of the Activity	Yoga Program	
Type of Activity	Health awareness activity	
Date and Time of Activity	20-06-2019	1:30 PM to 3:00 PM
Details of Participants	Students from MBA and MCA	
Organizing Dept /Support System	Sports Club in collaboration with Samskruthi Foundation	
Details of Resource Persons	<p>S. Ravinder is a yoga program trainer who focuses on teaching individuals the principles and practices of yoga to enhance their physical, mental, and emotional well-being. As a yoga trainer, he likely guides students through various yoga postures (asanas), breathing exercises (pranayama), and meditation techniques designed to improve flexibility, strength, balance, and mindfulness.</p> <p>Yoga training with S. Ravinder would emphasize the holistic benefits of yoga, such as stress reduction, increased mental clarity, emotional stability, and overall health. His programs could be tailored to various skill levels, from beginners to advanced practitioners, and may focus on both physical fitness and mental relaxation.</p>	
Description	<p>Yoga is a holistic practice that offers numerous physical, mental, and emotional benefits. Physically, it enhances flexibility, strength, and balance, promoting overall fitness and reducing the risk of injuries. Regular practice can improve posture, alleviate chronic pain, and boost cardiovascular health. The Program is organized in association with Samskruthi Foundation by S Ravinder.</p> <p>Mentally, yoga is a powerful tool for stress management. Through deep breathing and mindfulness, it calms the mind, reducing anxiety and promoting a sense of inner peace. It also improves focus, concentration, and mental clarity, making it beneficial for both personal and professional life.</p> <p>Emotionally, yoga fosters self-awareness and emotional resilience. It encourages a deeper connection with oneself, helping to release negative emotions and cultivate a positive mindset. Additionally, yoga promotes better sleep, increases energy levels, and supports overall well-being.</p> <p>By integrating yoga into daily life, individuals can achieve a harmonious balance of body, mind, and spirit, leading to a healthier and more fulfilling life.</p>

Details of Resource Persons	<p>Dr. B Sudharshan Rao is a distinguished professional with a unique blend of expertise in the insurance industry and Information and Communication Technology (ICT). With over 10 years of experience in both fields, Dr. Rao has developed a comprehensive understanding of how technology can revolutionize the insurance sector and empower professionals to deliver better services. As a resource person for the ICT trainee program at Best Insurance Services, Dr. Rao provides invaluable insights into the integration of ICT solutions in the insurance world. His training sessions cover various aspects, such as the use of data analytics, automation, and customer relationship management (CRM) tools within insurance services. His knowledge of emerging technologies like artificial intelligence (AI), blockchain, and cloud computing enables trainees to understand their practical applications in solving industry-specific challenges.</p>	
Description	<p>The Department of MCA organized a 2-day workshop on Advanced Word as part of its initiative to enhance proficiency in the latest trends of computer technology. The workshop was conducted by Technology Expert Dr. B Sudharshan Rao from Best Insurance Services.</p> <p>On Day 1, participants explored advanced formatting and layout techniques. They learned how to use styles and themes for creating consistent and professional document presentations, and also delved into complex layout options such as multi-column formatting and advanced table designs. Additionally, the session covered creating and applying custom templates, which allowed attendees to standardize document formats and save time on repetitive tasks.</p> <p>Day 2 focused on collaboration and automation features. Participants gained hands-on experience with Word's review tools, including track changes, comments, and version control, which streamlined document collaboration and feedback processes. The workshop also covered automation techniques, such as using macros to reduce repetitive tasks.</p>	

and customizing Word with specific fields and shortcuts.

Throughout both days, participants engaged in practical exercises and real-world scenarios to apply the skills they learned in creating polished, well-structured documents. By the end of the workshop, attendees had developed a deeper understanding of advanced Word functionalities, significantly enhancing their ability to produce high-quality documents and collaborate more effectively within their teams.
