Purpose:

The purpose of this MoU is to outline the terms and conditions for conducting a workshop titled **"THE EXECUTIVE EDGE: MASTER OF BUSINESS ADMINISTRATION WORKSHOP SERIES"** at **Aurora's PG College (MCA), Uppal** according to your feasible time schedule.

1. Scope of the Workshop:

- The workshop will cover the relevant and market ready topics for the management professionals under Human Resources, Finance and Marketing and is intended for the upcoming management professionals.
- The workshop duration will be as per the college management's and student's skilling feasibility.
- **Aurora's PG College (MCA)** will provide the necessary materials, equipment, and resources for conducting the workshop.

2. Responsibilities of Magneq Software:

- Design and develop the workshop content.
- Provide qualified trainers/facilitators to conduct the workshop.
- Supply necessary materials such as presentations, handouts, & any other learning aids.
- Ensure the quality and relevance of the workshop content to the target audience.

- Perks for the students: Provide certificates of participation to attendees.

3. Responsibilities of Aurora's PG College (MCA):

- Provide a suitable venue equipped with necessary facilities such as projectors, seating arrangements, etc.
- Ensure the availability of students and/or faculty members for the workshop.
- Assist with the promotion of the workshop within the college to maximize participation.
- Provide logistical support, including the arrangement of refreshments (if any), technical support, etc.
- Obtain any necessary approvals or permissions from the college administration.

4. Financial Arrangements:

- **Magneq Software** will bear the costs associated with [details, such as trainer fees, materials, etc.].
- **Aurora's PG College (MCA)** will bear the costs associated with [details, such as venue, refreshments, trainer felicitations etc.].

Note: Whatever commercials that both the parties discuss, **Aurora's PG College (MCA)** should complete the pay a decent percentage before the workshop and rest can be completed post the workshop.

5. Intellectual Property:

- All workshop materials provided by **Magneq Software** will remain the intellectual property of **Magneq Software**.
- The college agrees not to reproduce, distribute, or use these materials for purposes other than the agreed workshop without prior written consent.

6. Confidentiality:

- Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the course of this MoU.

7. Termination:

- Either party may terminate this MoU with thirty working days' (from the date of signing it from both the parties) written notice if the other party breaches any terms of the agreement.
- The MoU may also be terminated by mutual consent.

8. Dispute Resolution:

- Any disputes arising under this MoU will be resolved through mutual discussion and negotiation. If unresolved, the matter may be referred to arbitration in accordance with India's labor laws.

9. Duration:

- This MoU shall be effective from 26.04.2024 and shall remain in force until 26.08.2025 or the completion of the workshop, whichever comes first.

10. Miscellaneous:

- This Memorandum of Understanding between two parties will be observed only for the conducting the Post Graduate workshops for the budding management professionals. As Magneq Software provides many other services please contact our college co-ordinator or our representative to extend our professional deal in the upcoming years.

| Details of Resource Persons | T.Anil Kumar Associate Software Engineer Hyderabad, Telangana. | |
| Description | <p>On November 6, 2023, Magneq Software hosted an informative orientation session at Aurora's PG College (MCA), Uppal, specifically for MBA and MCA students. The session aimed to discuss various internship, placement, and project opportunities within the organization, equipping students with valuable insights and skills to enhance their career prospects in the software industry.</p> <p>The seminar had two main objectives: to provide detailed information about the internship and placement processes and to highlight the skills necessary for successful internships and job placements.</p> <p>The orientation effectively met its goals by offering crucial insights into internships, placements, and projects at Magneq Software. The interactive format fostered a deeper understanding of industry expectations and opportunities available to MBA and MCA students. Future sessions will be organized based on student feedback to further support their career development.</p> | |
